STATION DOMINATION

Reach diverse audiences in America's Top Cities

From New York to LA and everywhere in between, people are on the go, experiencing the best of their cities. Wherever their journey takes them, our media is in high-traffic locations, connecting your brand with the right audience. Whether they're commuting, exploring their neighborhoods, or traveling farther, Intersection meets them there.

With advertising in the country's largest, busiest cities—like New York, Chicago, and Philadelphia—Intersection delivers scale and access to valuable audiences that other media can't match.

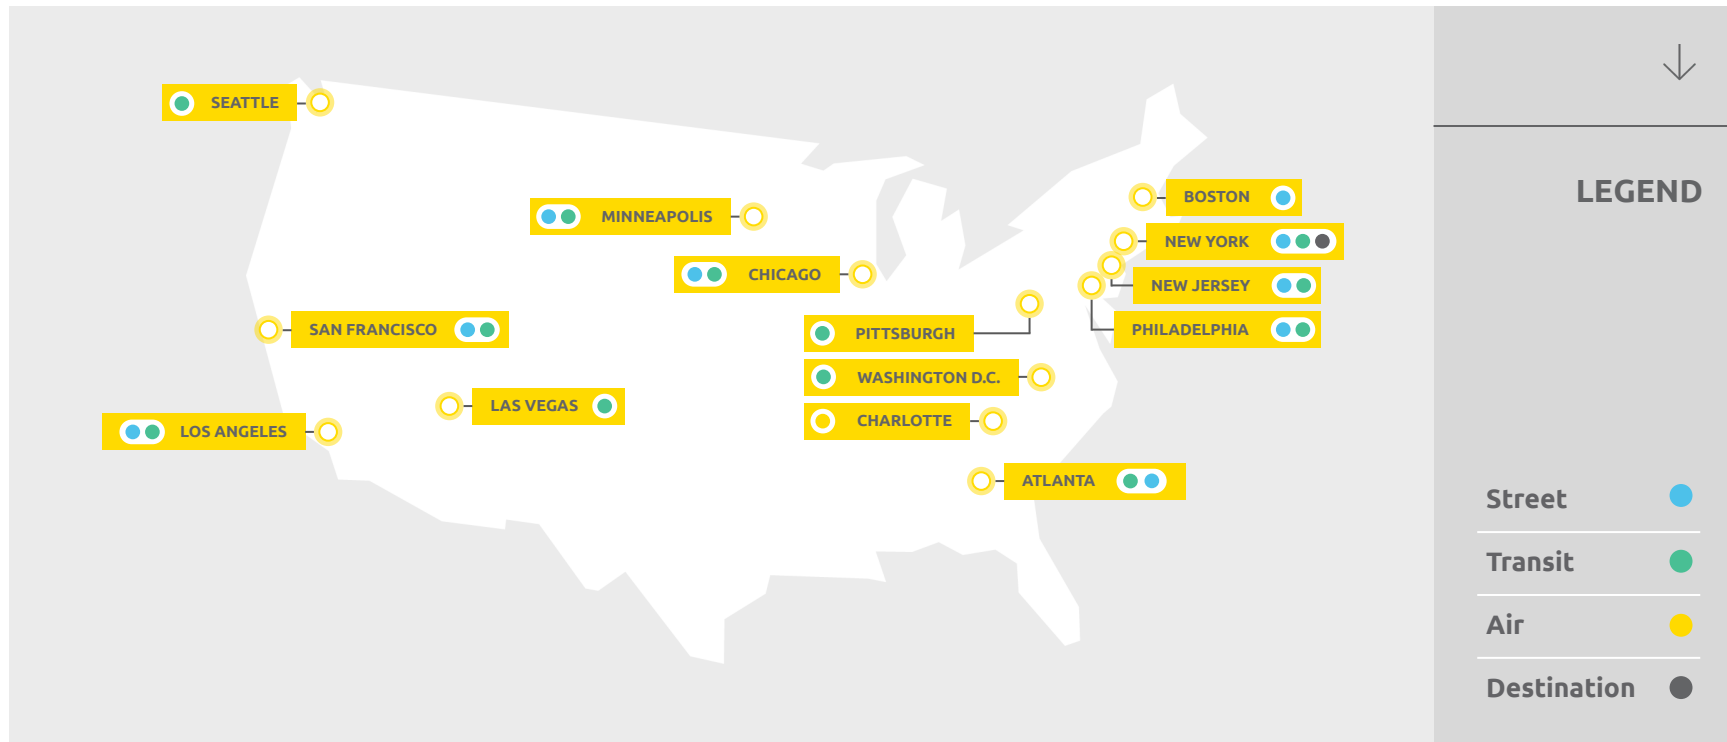

The Intersection Difference Los Angeles

Los Angeles is the second largest U.S.
DMA

- Los Angeles County is the most populous county in the U.S., with a population of over 10 MM residents.
- In 2024, the Metro Rail system welcomed over 68M riders
- Intersection's total footprint covers over 800 square miles of geography

Premium products, national scale.

Join our mission to support public transit and improve the lives of consumers in Los Angeles

The Los Angeles public transportation system is anchored by the LA Metro rail, a network that connects key neighborhoods like Downtown LA, Hollywood and Santa Monica, making it a pivotal part of the city's mobility.

We support our transit partners by generating revenue – **totaling over \$1B in payments to municipalities over the last 10 years** – largely to support public mobility.

LA Metro

Bringing the City of Angels Together

- LA Metro's rail system is undergoing the most ambitious expansion plan in the country, with several new lines in development
- With more than 437 rail cars and 6 rail lines, the Metro Light Rail is the second busiest in the United States.
- The Metro lines collectively span over 93 miles, connecting key neighborhoods throughout the city.

Rail Media

Rail media allows brands to target on-the-go customers and daily commuters with vibrant displays placed strategically throughout rail cars, major transit hubs, and on station platforms.
