1. About Intersection

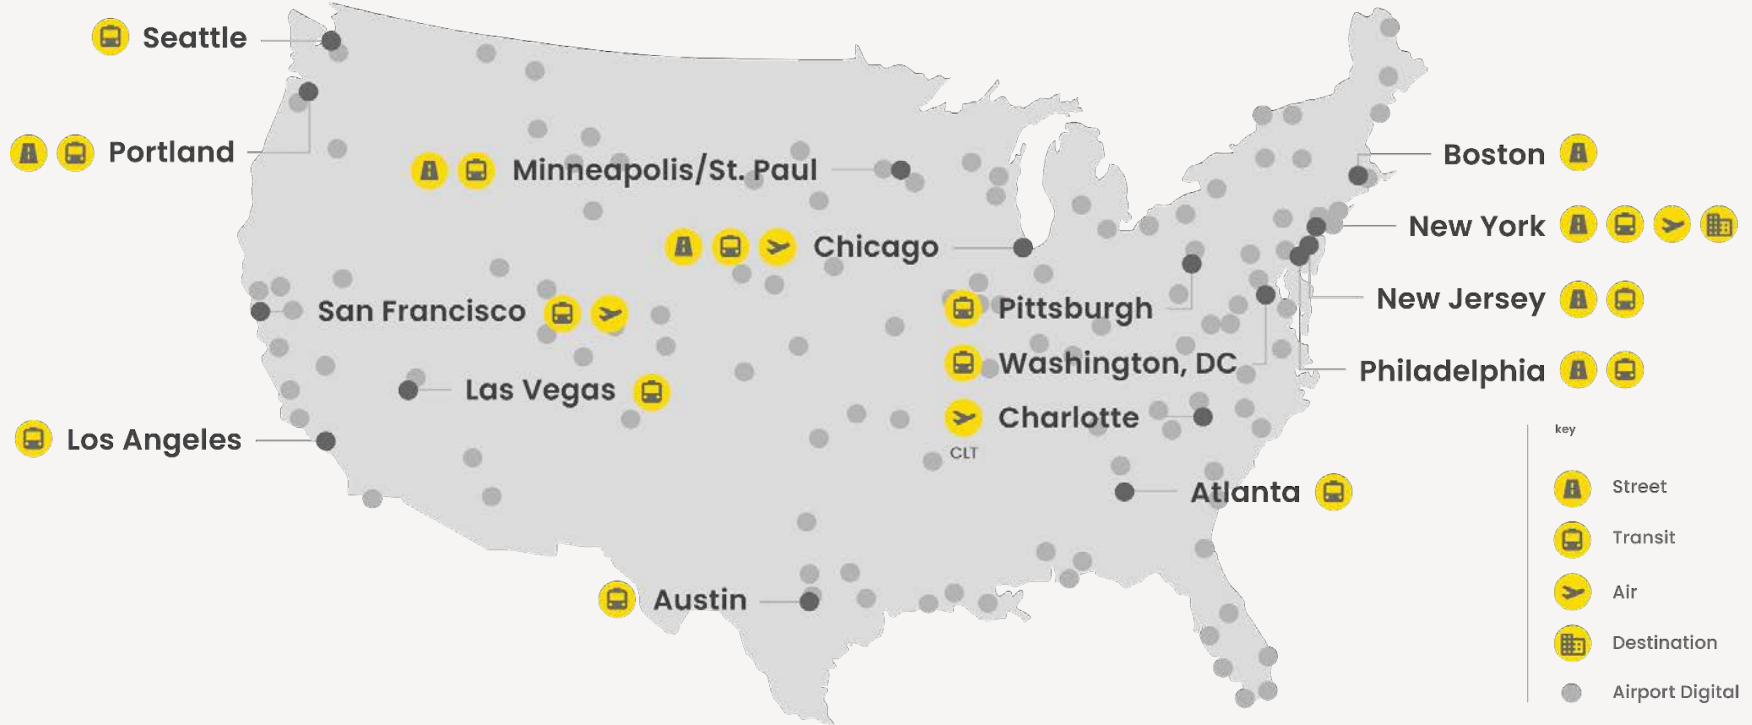

Reach diverse audiences in America's top cities

From New York to Los Angeles, and everywhere in-between, we know people are on the go, enjoying the best of what these great cities have to offer. Regardless of their journey, our media is located in well-traveled locations, and can connect your brand with the right audience. Whether they're moving through their home neighborhoods, commuting to the office, or traveling a little farther, Intersection's media meets them there.

With advertising partnerships across some of the country's largest and busiest cities—including New York, Chicago, Philadelphia, and other major metros—Intersection provides scale among valuable audiences that other media can't offer.

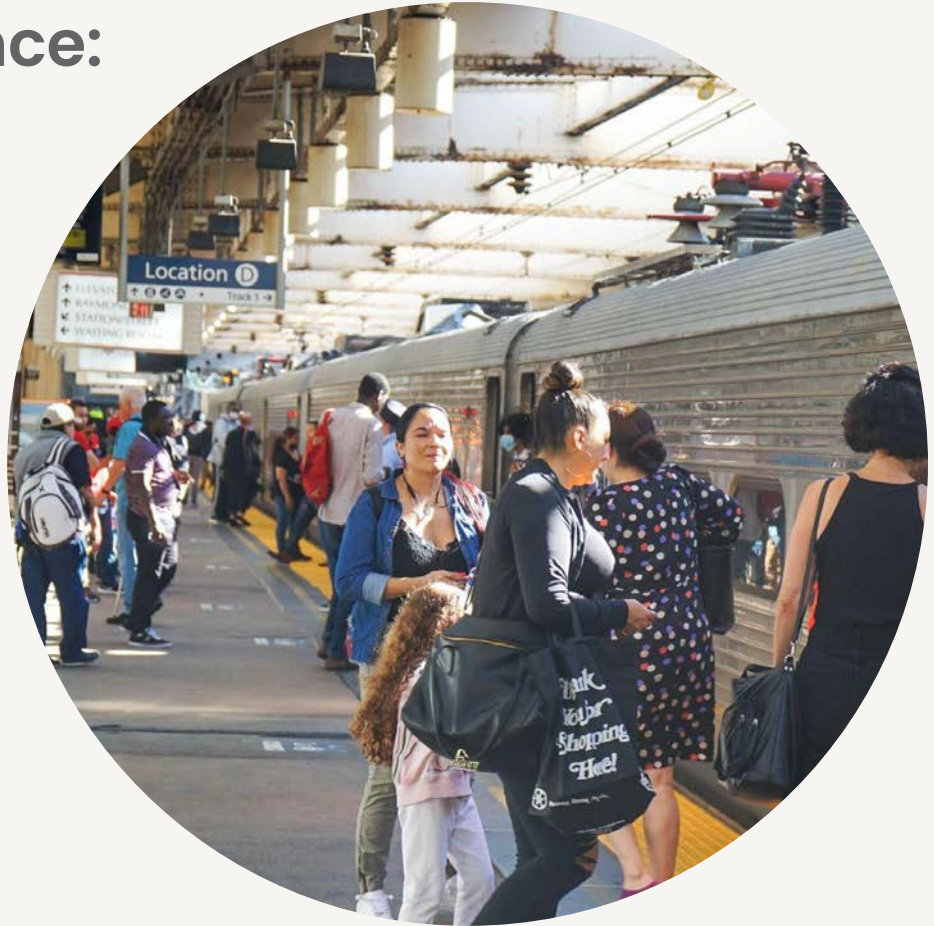

Premium products, national scale.

The Intersection Difference: New Jersey

- **20MM+ passenger trips** each month, almost 5x the amount of people who watched the VMAs on TV
- Intersection is the exclusive partner for all rail media in NJ, boasting **advertising partnerships** with NJ TRANSIT, HBLR, PATCO, and PATH
- Access to **more consumers than any of our OOH competitors** on a weekly basis, with multiple advertising partnerships including some of the country's busiest AMTRAK hubs

NJ TRANSIT

The nation's largest statewide transit provider

NJ TRANSIT is the nation's largest statewide provider of bus, rail, and light rail transit; connecting New Jersey commuters to cities and towns throughout the state, as well as to Philadelphia and NYC.

- 17MM+ passenger trips monthly
- Covers a service area of 5,300+ square miles
- 255 bus routes, 12 commuter rail lines, 3 light rail lines

PATH

Connecting cities along the Hudson

- Serves as the primary transit link between Manhattan and neighboring New Jersey communities like Hoboken & Jersey City, as well as suburban commuter railroads.
- 4.1MM+ monthly weekday passenger trips
- 350 rail cars, 4 routes, serving 13 rail stations

Source: PATH 2022

PATCO

High Speed Transit Line connecting Philadelphia and New Jersey

- Connects Philadelphia to Camden County
- 10.8 million annual ridership and 37,800+ weekday riders in 2019
- Operates 24 hours a day, 7 days a week

2. Products

Street Media

With static and dynamic digital formats, Intersection's street-level media is strategically placed throughout a consumer's daily route. Creative and messaging is always prominent, and eye catching.

Link

Link brings gigabit Wi-Fi and a host of other public utilities to citizens for free, and is one of the largest digital networks in the world. Two-sided units with 55" displays allow advertisers to reach consumers at-scale.

Specs

Screen Size	55"
Screen Resolution	1920 x 1080

Specs

Articulated Double Ultra
Super King Front - Curbside

Custom Install

Bus Wraps

Bus Wraps create a can't-miss moment, covering the perimeter of the bus and capturing the attention of both drivers and pedestrians on the street.

Specs

Bus Wrap

Custom Install

Bus Ultra Super Kings

Bus Ultra Super Kings maximize exposure for your brand by combining the feel of a roadside billboard with eye-level impact, and the ability to move throughout the neighborhoods most important to your brand.

Specs

Ultra Super King

Custom Install

Bus Super Kings

Establish brand awareness and resonance by utilizing Bus Super Kings—an impactful advertising format available on New Jersey Express bus routes.

Specs

Bus Super King

30" H x 240" W

Bus Kings

Bus Kings successfully reach pedestrians and commuters alike. A high reach format, this media quickly builds awareness for your ad amongst key audiences.

Specs

King	30"H x 144"W
King w/Extension	Size varies by market
King w/Headliner	Size varies by market

Bus Queens

Targeting both pedestrians and drivers, Bus Queen displays are perfect for advertisers looking for extensive market penetration and coverage.

Specs

Queen

30"H x 88"W

Bus Headliners

Typically paired with Bus Queens or Bus Kings, Headliners create top-of-mind awareness and amplify advertising impact across New Jersey.

Specs

Bus Headliner

Varies

Extensions & Window Clings

Bus Extensions and Window Clings enhance a brand message with eye-catching creative treatments that stand out in the eyes of New Jersey consumers.

Specs

Extensions	Varies
Window Cling	Varies

Bus Tails

Tail displays command the attention of drivers as they sit behind the bus in dense traffic.

Specs

Tail (MCI)	21" H x 70" W
Tail (Nabi)	21" H x 70" W

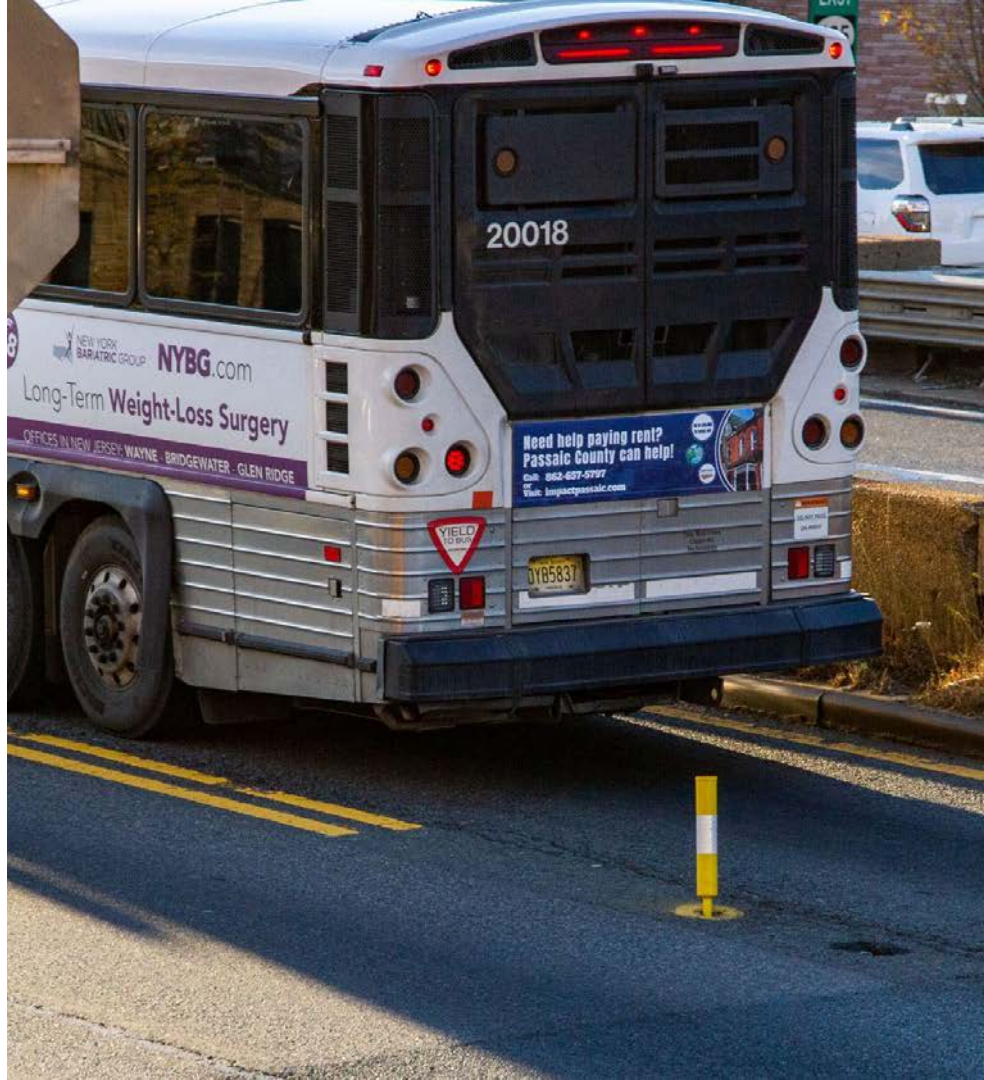

Bus Tail

Tail displays command the attention of drivers as they sit behind the bus in dense traffic. Leveraging one of the longest commutes in the nation at 31.3 minutes, your ad will reach on-the-go consumers through NJ TRANSIT's 250+ bus routes statewide. Extend your reach by complementing statewide media buys and speak to a captive audience of commuters who spend hours in congested traffic, coming and going.

Specs

14 ½" x 52 ⅞"

Branded Busses

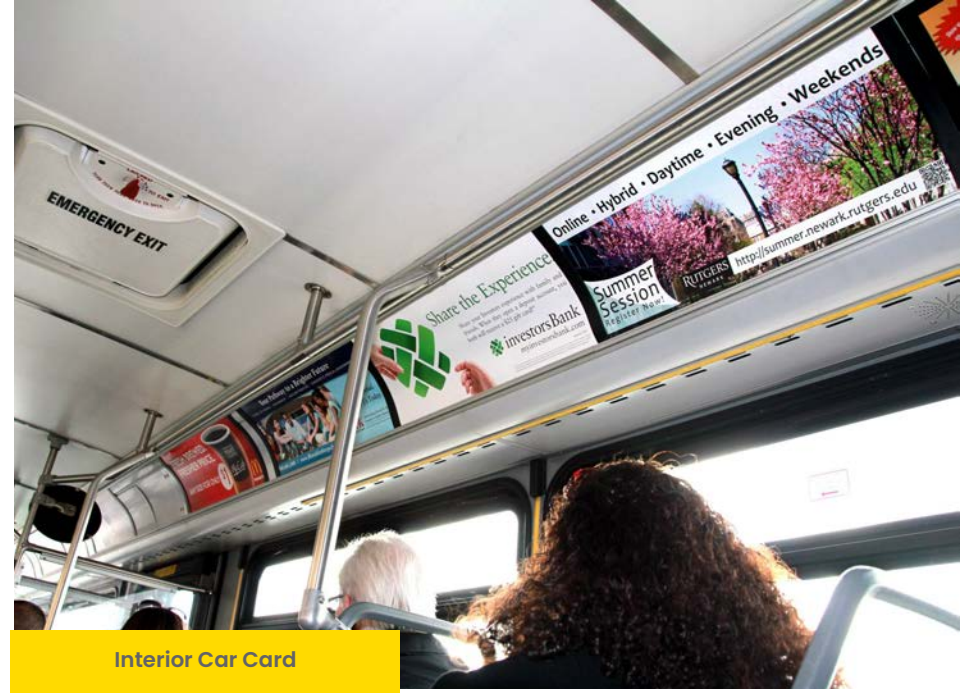

Brand Buses allow one advertiser to dominate the interior space with multiple messages, a variety of creative executions, or impactful repetition.

Specs

King	30" H x 144" W
Queen	30" H x 88" W
Tail	21" H x 70" W
Interior	11" H x 28" W
Michelangelos	48" H x 24" W

Interior Bus Cards

Interior Bus Cards allow you to reach a captive audience of commuters every day during their multi-block rides.

Specs

Michelangelo	48" H x 24" W
Interior Car Card	11" H x 28" W

Access Link

Access Link is a reservation-based service from NJ TRANSIT for disabled people who cannot access regular transit buses. These ADA-compliant commuter vehicles operate during the same days and hours as regular NJ TRANSIT services, including weekdays and holidays.

Specs

Side Panel

21"H x 82"W

Access Link Half Wraps

Utilize Access Link half wraps and create a can't-miss moment, covering potential consumer attention on New Jersey streets, roads, and highways.
