BIKESHARE POSTER

Reach diverse audiences in America's Top Cities

From New York to LA and everywhere in between, people are on the go, experiencing the best of their cities. Wherever their journey takes them, our media is in high-traffic locations, connecting your brand with the right audience. Whether they're commuting, exploring their neighborhoods, or traveling farther, Intersection meets them there.

With advertising in the country's largest, busiest cities—like New York, Chicago, and Philadelphia—Intersection delivers scale and access to valuable audiences that other media can't match.

Premium products, national scale.

The Intersection Difference Boston

Shelter coverage across 17 key neighborhoods boasting 112 million monthly impressions

- Our shelter coverage presents an exciting opportunity for brands to reach sports enthusiasts, students, entrepreneurs, and professionals as they travel throughout their day
- Intersection reaches more than 2x the amount of people at the Boston St. Patty's Day parade each month

Join our mission to support public transit and improve the lives of consumers in Boston

The MBTA provides subway, bus, Commuter Rail, ferry, and paratransit service to eastern Massachusetts and parts of Rhode Island. Our products support mass transit and micro-mobility through providing consumer amenities, such as transit shelters.

We support our transit partners by generating revenue – **totaling over \$1B in payments to municipalities over the last 10 years** – largely to support public mobility.

MBTA

Over 300 years of history and success

MBTA plays a vital role in keeping Boston connected and moving

- Target 17 neighborhoods with 200+ bus and rail shelters
- 875,642 trips taken on an average weekday
- 38% of MBTA rides occur on the bus, and these passengers can seamlessly be reached with our vast network of bus shelters

Three ways to develop attribution strategies:

1

CLIENT SUPPORT & CASE STUDIES

- Intersection provides case examples on how our media works for client's industry and use case
- While these studies don't measure client specific performance, they can show indicative performance

Ideal for: Smaller Campaigns, Limited Budgets

2

DATA INTEGRATIONS

- Intersection provides full report of ad play logs including timestamps, unit latitude/longitude data for client's use with their existing attribution partner
- Partners can also buy programmatically through a DSP and PlaceExchange

Ideal for: Clients with existing attribution partners or who can also buy via a DSP

3

CUSTOM RESEARCH STUDIES

- Intersection reviews clients needs and creates a comprehensive research study opportunities with a preferred partner
- Intersection coordinates, designs, executes, and analyzes research from partner and presents to advertiser

Ideal for: Large or complex campaigns, comprehensive research, agencies
